

Dear Parents/Guardians,

St. Martin de Porres Marianist School and CulinArt Group open the doors to an **all-new dining experience** on September 8, 2021. Students, faculty and staff can look forward to the following enhancements.

Meal Plan for Grades Pre-K-8:

Each day CulinArt will offer a freshly prepared lunch that includes an entrée with 2 side dishes, choice of beverage and dessert of the day. Alternative lunch options, including buttery pasta, turkey sandwiches, bagels and fresh garden salad will be available as well. Note that CulinArt will deliver meals to PreK and kindergarten classrooms. All other grades will dine in the cafeteria. The Hot Lunch Meal Plan cost will be \$1,020 for the full school year. *If you wish to join the meal plan, the fee will be added to your tuition.* This lunch program will only be available to students who opt-in and join via MyKidsSpending.com (see below). Cash will not be accepted for the hot lunch program.

Snacks for PreK Students:

CulinArt will deliver a healthy snack to the Pre-K classroom(s) at no cost to parents. This includes all Pre-k students, regardless if you are enrolled in the lunch program.

The Market:

CulinArt has enhanced the retail program to include a variety of fresh salads, sandwiches, snack packs, fruit cups, yogurt parfaits, packaged bars, treats and bottled beverages. The Market will accept declining balance dollars (through MyKidsSpending.com), cash or credit card.

Introducing MyKidsSpending through ODIN Inc.:

We are pleased to announce the introduction of our new **dining services technology** partner at St. Martin. ODIN Inc. will facilitate Meal Plan enrollment through their website MyKidsSpending.com. You will receive an email with temporary login credentials to set up your account in August. It is important to note that each student will be issued a Dining Service ID Number. With that, you can join the Hot Lunch Meal Plan and/or deposit funds into your student's Declining Balance account for use at The Market. The convenient declining balance program used at The Market alleviates the burden of students having to carry cash and helps speed up the check-out process. The minimum deposit will be \$50. Participating families can review their account balances online at any time and will receive an email notification when the account has a low balance. At the end of the year, declining balance dollars will be rolled over to the next school year. Students that are not returning are required to use all funds in their account. CulinArt will not issue refunds to students that are not returning to SMMS.

If you are interested in the annual Meal Plan, please complete the information below and return to the main office by August, 13, 2021.

We look forward to a healthy, exciting and tasty school year!

Student's Name: _____

Student's Grade: _____

I am interested in having my child participate in the annual Meal Plan. Please add \$1020.00 to my tuition plan.

I will participate in the declining balance option, understanding the minimum deposit is \$50. I understand that I will need to set up my account with MyKidsSpending.com to ensure that my child has sufficient funds to purchase food and beverages
